That's 25¢ to prove a point about 20 MULE TEAM Borax.

There's a lot more in it than fresher, sweeter laundry.

There's a terrific household cleaner for walls and floors. Add ½ cup of 20 MULE TEAM Borax to 2 gallons of warm water and any one of the following combinations: ½ teaspoon dishwashing liquid and 1 tablespoon ammonia or ½ cup laundry detergent.

To find out about other household uses of 20 MULE TEAM Borax, send for our free booklet, "The Magic Crystal."

Learning Option Time, better known as Lot, began the school year of 1972-73. It is a very unique program for both LHS students and teachers.

As we travel back in time to April of 1972, a special committee was formed by the Dean of Student Affairs upon request by the principal, to look into the idea of a more effective bell schedule that would have more advantages and would be more beneficial to the students. From this and subsequent meetings, the LOT Master Time Schedule was developed, and Leilehua gained the recognition of being the first school to have LOT.

LOT enables students to make appointments with doctors, dentists, and community people without loss of instructional time. The school provides a more comprehensive program for students and offers mini-courses based on the students interest and needs. Besides varsity sports, LOT has enabled the school to offer a meaningful intramural sports program for the non-varsity athlete. It enables students to get part-time jobs earlier in the day and to take some courses at the university and surrounding colleges.

It is the opinion of Mr. Inouye that, "Our LOT Master Time Schedule is an innovative program that provides opportunities for our students to be exposed to a variety of school activities, make individual decisions, as well as achieve academically. Students who graduate from LHS under our LOT Master Time Schedule, will be more able to adjust to the world outside of the high school campus."

LOT will be kept in our school, provided it is evaluated by the school district and state to be meeting the needs of our students. LOT like any program will be evaluated yearly to determine whether or not its purpose and objectives are being met. On this basis changes will be made to upgrade the LOT program. The success of the LOT program needs the active interest and involvement from our student body. So all of you LHS students need to put forth your time and effort into LOT, so we can keep it for the years to come and for TIMES TO REMEMBER!

If I could save time in a bottle
The first thing that I'd like to do
Is to save every day 'til eternity passes aw
Just to spend them with you
If I could make days last forever
If words could make wishes come true
I'd save every day like a treasure and then

Again I would spend them with you
But there never seems to be enough time
To do the things you want to do once you find them
I've looked around enough to know
That you're the one I want to go through time with

PRETTY GIRL

Pretty girl I like you,
just can't find the words to say I really do
I'm admiring you, desiring you
just loving you.
Pretty girl you say you do
All things you sayin' will like you do
You're admiring me, desiring me
just loving me.
Anytime, anyplace that I'm near you,
this feeling inside me just grows and grows,
And you tell me that you love me, don't leave me
I know I can make you happy,
just wait and see.
